PREFACE

This record is not by any means complete, or perhaps not correct, but we have done the very best that we could under the existing circumstances, and if any mistakes are made they were not made intentionally.

We would suggest that each person that receives a copy of this record will aid us by keeping up his own family record and make necessary correction on the blank leaves in this book which are for this purpose and designate where said additions and corrections belong, so that when we wish to revise the record, it will be comparatively an easy task to do so.

We are not satisfied to call this record finished, but expect in the course of several years to be able tc greatly enlarge this record, by going back farther if possible and practically uniting all the Conrads into one large family, but to do so we need help. Those records will be found in Europe and are not so easy to get as our home records. We need financial help, any one who wishes to aid us in this way can do so by making your wishes known either to S. E. Conrad of Sterling Ohio, or S. E. Conrad of Wooster Ohio.

The work was done so far free gratis, with the exception of paper and postage the records practically cost nothing.

DIRECTIONS.

Those that have a figure one are children, with two, grand-children, three, great grand-children, with figure four great great grand-children, with five, great great great grand-children, of Martin Conrad, of 1753. The letters a, b, c, etc. represent each member of a family.

HISTORY

The subject of our record was born in year 1753. It is presumed that he was a native of Switzerland, Canton Bern, or in the region of the Jura Mountains. The place of birth and death are not known to us at present. It is presumed that about the year 1780 he moved to Montpelier Switzerland, now France, where he was ordained a minister of the Gospel and was a faithful and loyal worker for his Master. He lived here until the close of his life sometime before the year 1822 when the children moved to America, some of them settling in Pennsylvania later in Wayne County Ohio.

Jacob Conrad, the oldest of the family, located in Wayne County, becoming naturalized and receiving his final certificate on the 31st day of October 1836, which made him a full fledged citizen of the United States.

John Conrad the second son moved to Iowa followed by others of the family. The Conrads are very numerous here. They have proven themselves excellent citizens of the Hawkeye State.

It seems as though our ancestors were all farmers and to this day nearly all the Conrads are farmers, and some of them of high repute.

There was a Christian Conrad a resident of Manchester, Delaware Co Iowa. who lived to attain the age of about one hundred fifteen. Christian said that his father Jacob, came from the Jura Monntain region, he left Europe about the time of the American Revolution went to France and enlisted in the French army, possibly with LaFayette, came to this country and helped the Americans gain their Independance from Great Britian, afterwards settled in Bucks County Pennsylvania. At the death of Jacob, the children had some difficulties and rather than have trouble, Christian said he would leave home, and that they would never hear from him again, he moved to Iowa where he remained till the close of his long life.

He was a soldier in the second war with Great Britian. He never received a pension, was entitled to one but always refused it.

The family lore goes thus, that Jacob Conrad, who was an uncle of Martier Conrad of 1753, left his home mysteriously and was never heard from afterwards.

Whether this Jacob Conrad, was the same as the one mentioned in the little sketch give by Christian Conrad of Iowa or not is information that we are longing to establish, and any information that any one can give that will lead to this idenity will be gratefully received.

FAMILY RECORD OF MARTIN CONRAD.

Evidently the original Family Record was written on o page of the Family Bible, as it is referred to as, this book.

This book belongs to me, Martin Conrad (Kunrod) at that time resident of the village Slunger. And may the Merciful almighty God our Lord grant me the right understanding to read it for His Honor, Glory and Praise. This was written in the year of our Lord 1782 Feb. 20th.

And I Martin Conrad was born A. D. 1753 November 11th Martinsday in the the sign of Bull.

And I Martin Conrad was united in holy wedlock with Annette Liecnty A. D. 1779 April 25th.

And I, Martin Conrad was ordained for the service of the church of God at Mompelgart (this being my first charge) A. D. 1780 October 22th.

And may the righteous, merciful, almighty and allwise God and Father grant me, Thy lowly humble and meek servant wisdom diligence to fear and love Him above anything invisible or visible on earth or in Heaven.

And may Ged the Lord strengthen and comfort me according to His most holy Will to comprehend and serve My Ministry as a true pious fighter for His holy Word so when the time of my departure shall come, I may say with the chosen. Apostle Paul in his epistle to Timothy II chapter IV verse 6 7 8. For I am now ready to be offered and the time of my departure is at hand.

I have fought a good fight, I have finished my course, I have kept the faith; Henceforth there is laid up for me a crown of righteousness, which the Lord the righteous judge, shall give me at that day; and not to me only, but unto all them also that love His appearing. And that I may be able to say;

With sorrow and tears I received my ministry and with joy and gladness I remit it to Him who has ordained me, His humble servant Honor, Glory and Praise to Thy name through Jesus Christ our Lord.. Amen.
